# Meet the Grunion

at the  
Cabrillo  
Marine  
Aquarium

Each year from March through July, Cabrillo Marine Aquarium presents special evening programs designed to introduce the public to the unique and elusive grunion fish.

If you'd like an opportunity to see the grunion in person, check the schedule on the reverse side of this card for a convenient date. The cost of the program is \$5 adults, \$1 children/seniors/students with I.D. Reservations are not necessary; tickets will be sold at the Aquarium. Cash only please.

On the evenings listed, Cabrillo Marine Aquarium and the Gift Shop will open at 8pm. The Grunion Program will begin at 9pm in the John M. Olguin Auditorium.

We suggest bringing a blanket to sit on and a flashlight to spot the grunion. Remember to dress warmly. The evenings may be chilly and damp at the beach.
