

# Become a **SEA RANGER!**

Sea Rangers is a volunteer naturalist program at Cabrillo Marine Aquarium. We are looking for people who enjoy spending time outside, care about the environment, and enjoy educating others about our coastline. Fifth grade students through adults who would like to make a difference in the environment are invited to apply. Whether you are completing service hours\* or are interested in learning by doing, this is an opportunity to share with others while protecting coastal marine habitats and the organisms that live there.

\*If you are participating in this program for academic service hours, please note: training sessions will not be counted towards your hours requirement. Hours will accrue once actual volunteer service is provided.

Cabrillo Marine Aquarium is a facility of the City of Los Angeles  
Department of Recreation and Parks

- Following five consecutive once-a-week training sessions, Sea Rangers will apply their skills in helping protect the tidepools at Point Fermin State Marine Park, the shoreline along Cabrillo Beach and the adjacent saltmarsh.
- Volunteers are requested to participate in 6 hours of scheduled weekend activities per month. Periodic enrichment training will provide an opportunity for participants to continue learning and to share their experience.
- Training is from 4 to 6pm on five consecutive Thursdays: April 28, May 5, 12, 19 & 26. A parent/guardian of minors is required to attend a 30 minute orientation held at the beginning of the first session.
- For further information please call at 310-548-7562
- \$30 uniform and materials fee. Financial assistance is available.
- Pre-registration is strongly encouraged to meet our minimum of 13 participants. A maximum of 25 individuals will be accepted into this training class. Please no walk-ins.
- Please complete and return this form by April 22 to:
