## Silent Auction Bidding Schedule:

#1000-1999	turquoise	7:15 pm close
#2000-2999	navy blue	7:20 pm close
#3000-3999	yellow	7:25 pm close
#4000-4999	green	7:30 pm close

**Please note: Cash, check, Visa and MasterCard will be accepted for purchases. Regretfully, American Express is NOT accepted.**

Each silent auction item has a bid sheet. Make a bid by writing your name and bidder number on the sheet. There will be a minimum opening bid posted for each item, and a minimum increase over the previous bid. The Table Hosts are there to help you and answer any questions you may have. Please note any restrictions or expiration dates on items. Expiration dates on gift certificates will not be extended.

Once your name is written on a bid sheet, it should not be removed. Each bid sheet must remain on the table with its item. Remember to periodically check back on any item you have bid on to see if anyone else has outbid you.

The silent auction items are grouped into sections that will close at different times as noted above. Two-minute warnings will be announced as each section is about to close. You may want to stay near the tables with your favorite items during the final moments before the section closes, to ensure that your bid is final, and therefore the winning bid for that item. Any bids entered after that section has closed will be considered invalid. FCMA reserves the right to convert any silent auction item in dispute to a live auction item. IRS rules allow federal income tax deductions in excess of the fair market value paid. Retain this auction catalog for reference.

The live auction takes place after dinner. Use the bidder number (which will be give to you when you check in at the Gala) to signal bids for the live auction. The items will be auctioned in the order they appear in the program unless our auctioneer, at his discretion, changes the order. The auctioneer will acknowledge and close the bids.

Successful bidders will be presented with an itemized invoice of purchases, which must be paid in full.

All small items will be delivered to the successful bidder's table during the course of the evening. Larger items will be available for pickup in the silent auction tent after dinner. Items will not be released to anyone without a "paid" receipt. All items should be claimed and removed at the end of the evening, unless other arrangements have been made.

**All sales are final and items are sold "as is." Please pay attention to the expiration dates and exclusions. There are no substitutions, exchanges or refunds.**
