

# Binoculars

Cabrillo  
Marine  
Aquarium

## Materials:

- 2 toilet paper rolls/1 paper towel rolls\* = eye pieces
- Hot glue/Craft glue/Tape
- Hole punch
- String
- Paint/Markers/Stickers

## How to:

- Decorate each "eye piece" with paint, markers, etc.
- Glue or tape "eye pieces" together long ways
- Let dry
- Punch 1 hole on outside of each roll
- Thread string through holes + tie to make neck strap

Hold up and look around...  
What can you see?

\*In place of toilet paper/paper towel rolls, you can also substitute thicker paper rolled up.
