Worksheet: Which Animals Live in the Tidepool?

Circle all the animals that live in a tidepool.

When the sheet is completed, discuss which animals make the tidepool their home and which animals live in another habitat.

The illustration shows a tidepool with rocks, seaweed, and a starfish. The animals listed around the illustration are:

- Crab
- Anemone
- Shark
- Urchin
- Octopus
- Whale
- Eel
- Squid
- Seal
- Sea Star
- Snail
- Clam
- Barnacle
- Gull
